

SECTION 7: CHRIST IN THE SCRIPTURES

We believe that all Scripture from the first to the last center around Jesus Christ, in His person, His work, and His first and second comings; and hence, that no chapter in the Bible is properly read or understood unless and until it leads to Him; and moreover, that all Scripture from first to last, is designed for our practical instruction in leading us to saving faith in Jesus Christ. *Luke 24:27, 44; John 5:39; Acts 18:28; 26:22-23; 28:23.*
